

NOR-FAB 400 - Aramid Cloth

Nor-fab is a woven, high strength, abrasion resistant fabric of an Aramid fibre blend over a fibreglass core. *Nor-fab* provides excellent strength and flexibility and combined with its superb abrasion resistance offers protection in the most arduous environments such as mining, metals processing, waste management, and material transfer.

Applications

Applications include: - plant and equipment protection, gaskets and seals, flange/valve covers, expansion joints, robot arm sleeves, curtains/barriers and personnel protection.

Specifications

Base Fabric	Aramid / F'Glass	
Colour	Yellow	
Fabric Thickness	1.85mm	
Fabric Width	1520 mm	
Roll Length	45.7 metres	
Continuous Use Temperature	340° C	
Weight Loss	@ 340° C	2 %
Strength Retention	@ 260° C	Excellent
	@ 340° C	54 %
Warp Strength	225 PSI	
Fill Strength	150 PSI	
Abrasion Resistance	Excellent	
Thermal Conductivity, "K" Factor ASTM C-177 (Btu x in/h x ft_ x °F)	0.450	
Total Conductance ASTM C-177 (Btu/hr x ft_ x °F)	6.170	
Chemical and Corrosion Resistance to MIL-I-24244A	Complies
